

Wherever you drive, Katzkin has the materials to get you there...leather permitting.

katzkin[®]
AUTOMOTIVE LEATHER

Katzkin **Premium** leather is available in 65 colors and is formulated to meet and, in most cases, exceed the specifications of leather offered from the factory. It is affordable luxury without compromising the benefits of a custom leather interior.

TUSCANY[™]
FINE AUTOMOTIVE LEATHER
by **katzkin**

Tuscany fine leather by Katzkin turns luxury into opulence. This is the softest leather ever offered for automotive use, and despite its rich, supple finish, Tuscany still meets the highest standards of durability. Available in our 13 most popular Katzkin colors.

katzkin[®]
OUR TOUGHEST EVER **XT**

Wherever you take it, **Katzkin XT** can take it. Twice as durable, and thicker than our Premium leather and vinyl, XT provides extreme durability for the most extreme conditions. Water resistant, scuff resistant, even kid resistant, it's our toughest ever.

Katzkin doesn't stop at just leather. So, you don't have to stop dreaming up ways to express yourself...

Suedezkin®

OEM tested & approved **Suede**zkin is available as an accent material on any Katzkin pattern. It keeps you snug in your seat, staying warm in the winter and cool in the summer, and is the perfect finishing touch to your custom Katzkin interior.

Barracuda
SQUARE PERFORATED DUO-TONE LEATHER

When you just want a hint of color, let a little of it peek through the square perforation of **Barracuda** from the specially-dyed underside of our Premium leather. Available in 9 exciting View-Thru combinations, a little bit of this goes a long way.

OUTLAW
TOOLED LEATHER by **katzkin**

Put the Old West in your New Ride with Katzkin's **Outlaw**. The look of intricately tooled leather - in a variety of colors - adds that vintage touch of the frontier you often find on holsters, belts, hat bands, and now your 21st century saddle.

auto
EXOTICS

Use a little or a lot. When suede and leather don't move you, move on up to **AutoExotics**. This collection of synthetics like Carbon Fiber and Machined Silver, or crocodile and ostrich embossed cowhide, takes you off the road most traveled.
